

Our Commitment to Privacy

Thank you for visiting the LOGICAL.NET. This website is designed to make it easier and more efficient for LOGICAL.NET customers to interact with us. Like all online resources, we recognize that visitors to this website are concerned about their privacy. LOGICAL.NET is committed to preserving your privacy when visiting this website.

This policy describes Logical Net privacy practices regarding information collected from visitors to this website. This policy describes what data is collected and how that information is used. Logical Net may, at its sole discretion, change modify, add, or delete portions of this policy. Because this privacy policy only applies to this website, you should examine the privacy policy of any website you access through this website.

Our Commitment to Privacy

Your privacy is important to us. To better protect your privacy we provide this notice explaining our online information practices and the choices you can make about the way your information is collected and used.

Information Collected When You Visit this Website

When visiting this website Logical Net automatically collects and stores the following information about your visit:

- The Internet Protocol address and domain name of your Internet service provider. The Internet Protocol address is a numerical identifier assigned either to your Internet service provider or directly to your computer, which can be used to direct internet traffic to you;
- The type of browser and operating system you used;
- The date and time you visited this site;
- The web pages or services you accessed at this site; and The URL or web site address of the web site you visited prior to coming to this website and from which any web page on this site was linked.
- This information is used to improve this website's content and to help Logical Net understand how people are using this website. This information is collected for statistical analysis, to determine what information is of most and least interest to our visitors, and to identify system performance or problem areas. The information is not collected for commercial marketing purposes and Logical Net does not sell or distribute the information collected from this website for commercial marketing purposes.

Information Collected When You Email this Website

If during your visit to this website you send an email to Logical Net, your email address and the contents of your email will be collected.

The information collected is not limited to text characters and may include audio, video, and graphic information formats you send us. We use non-identifying and aggregate information to better design our website and to share with advertisers. For example, we

may tell an advertiser that X number of individuals visited a certain area on our website, or that Y number of men and Z number of women filled out our registration form, but we would not disclose anything that could be used to identify those individuals.

Logical Net does not sell, share or distribute your email address and information you provide about yourself or your company to outside parties. Your email address and the information contained in your email will be used to respond to you, to address issues you identify, to further improve this website. We also use the information you provide about yourself or your company when applying only to complete that application. We do not share this information with outside parties except to the extent necessary to complete that application.

Finally, we never use or share the personally identifiable information provided to us online in ways unrelated to the ones described above without first providing you an opportunity to opt-out or otherwise prohibit such unrelated uses.

Personal Information and Choice

"Personal information" is information about an individual (e.g. an individual's name, address, and phone number). A domain name or Internet Protocol address is not considered personal information.

Personal information is not collected through this website unless you send an email to Logical Net through this website. If you do not communicate with this website it does not affect your ability to use any other features of this website.

Currently, Logical Net does not knowingly collect personal information from children or create profiles of children through this website. People are cautioned that the collection of personal information provided by any individual in an email will be treated the same as information given by an adult, and may, if not protected by federal or City law, be subject to public access. Logical Net encourages parents and teachers to be involved in children's Internet activities and guide the children whenever children are asked to provide personal information on-line.

Disclosure of Information Collected Through This Website

Information collected through this website, personal or otherwise, may, if not protected by federal or City law, be subject to disclosure pursuant to law, such as the Freedom of Information Law (FOIL), or court order.

Additionally, Logical Net may disclose personal information to federal, state, or city law enforcement authorities to enforce its rights against unauthorized access or attempted unauthorized access to Logical Net information.

Our Commitment To Data Security

To prevent unauthorized access, maintain data accuracy, and ensure the correct use of information, we have put in place appropriate physical, electronic, and managerial procedures to safeguard and secure the information we collect online.

NOTE: The information contained in this policy should not be construed in any way as giving business, legal, or other advice, or warranting as fail proof, the security of information provided via this website. For site security purposes and to ensure that this website remains available to all users, Logical Net employs software to monitor traffic to identify unauthorized attempts to upload or change information or otherwise cause damage to this website.

Links Disclaimer

In order to provide visitors with certain information, this website may provide links to websites of other organizations. A link does not constitute an endorsement of the content, viewpoint, accuracy, opinions, policies, products, services, or accessibility of that website. Once you link to another website from this website, you are subject to the terms and conditions of that website, including, but not limited to, its privacy policy.

Information Disclaimer

Information provided on this website is intended to allow the public immediate access to public information. While all attempts are made to provide accurate, current, and reliable information, Logical Net recognizes the possibility of human and/or mechanical error. Therefore, Logical Net, its employees, officers and agencies make no representations as to the accuracy, completeness, currency, or suitability of the information provided by this website, and deny any expressed or implied warranty as to the same.
